Itinerary for 7 nights/8 days in Mauritius

Activities & Parks for the Family

Do your kids like animals?

Perfect, so make sure they visit the various animal parks such as the Vanilla Nature Park, Casela Nature Park or Ile aux Aigrettes.

Among the water activities and underwater discovery, the essential activities are the submarine trip, glass bottom boat, dolphins excursions They will also be delighted to discover some of the island's curiosities, such as the 7 colored earth and The Curious Corner of Chamarel . All you have to do is choose the favorite activities of the children and family.

Day 1 – Arrival

- Arrival of flight to Mauritius
- The airport team of Emotions meeting & welcoming your clients inside the airport terminal at our counter no. 6 with a personalized sign board.
